First Pulse : AI in Healthcare
The New Pulse of Healthcare in the Era of AI

The healthcare paradigm is rapidly shifting from post-treatment care to data-driven precision and preventive medicine.

As a hyper-connected, AI-powered personalized healthcare environment becomes a reality, **KIMES—Korea's largest medical equipment show—hosts its first official keynote to present the future vision of healthcare for the first time in its 46-year history.**

Leading experts from **Google DeepMind, Seoul National University Hospital, Naver, Kakao Healthcare, Samsung Electronics, and Amorepacific** will take the stage.
They will present a next-generation vision shaping the industry, from the expansion of the AI ecosystem to everyday digital healthcare.

Overview

- **Title** KIMES 2026 KEYNOTE (First Pulse : AI in Healthcare)
- **Theme** The New Pulse of Healthcare Industry in the Era of AI
- **Date & Time** March 19(Thu), 2026 | 13:20 - 17:40
- **Venue** Grand Conference Room 401(South 4F), COEX, Seoul
- **Organizer** Korea E & EX
- **Media Sponsor** Medigate News

Program

Time	Session	Speakers
13:30-14:00	A New Horizon for the Healthcare Ecosystem Opened by Gemini	Kane Jang Google DeepMind Senior Staff Software Engineer
14:00-14:40	How Should the Healthcare Industry Prepare for the AI Era?	Byoung-Tak Zhang SNU Healthcare AI Research Institute Director
14:40-15:20	The Healthcare Vision Envisioned by Naver	In-Hyuk Choi NAVER CEO, Tech Business Division
15:20-16:00	The Long and Winding road: Digital Healthcare & AI_Back to Fundamentals	Hee Hwang Kakao Healthcare CEO
16:20-17:00	A Healthier Everyday Life Powered by Galaxy Watch and Samsung Health	Jong-Min Choi Samsung Electronics Executive Vice President, Digital Health Team, MX Division
17:00-17:40	From Skincare to Holistic Longevity: The Convergence of Beauty Tech and Healthcare	Brian Byung-Fhy SUH Amorepacific Vice President (Head of R&I Center)

* Registration fee: KRW 110,000 (VAT included)

Concurrently held with

INSPIRE
Digital Health

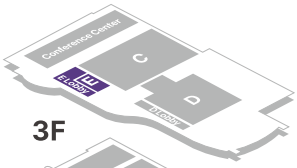

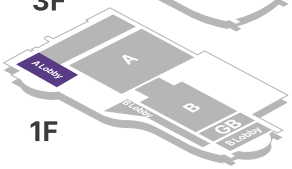

Grand Ballroom

INSPIRE-Digital Health

The INSPIRE Special Pavilion is a space where healthcare innovation converges, showcasing cutting-edge solutions in medical AI, digital healthcare, wearables, and data analytics all in one place.
'INSPIRE Open Stage' runs across all four days with a different theme each day, covering Physical AI in healthcare, startup investment pitches, investor networking, cybersecurity, and AI applications in beauty and senior care industries.

Beauty Derma Seoul

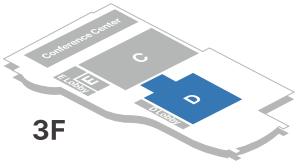

Hall E

BEAUTY & DERMA Seoul

K-beauty continues to gain global attention, and derma cosmetics and medical beauty devices have become core sectors within the broader healthcare industry.
Advanced aesthetic technologies are evolving beyond cosmetic purposes, providing integrated solutions for both skin health and treatment.
With the rise of personalized skincare, Korean beauty technology is achieving strong competitiveness in the global market.
Discover the full spectrum of Korea's rapidly growing aesthetic industry from skincare devices and treatments to fillers, laser systems, and more at the BEAUTY & DERMA Special Pavilion.

MedicomteK

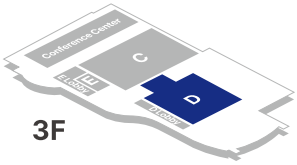

Hall D

Medical Component & Material Technology Korea

The field of medical devices used in the healthcare industry is expanding beyond traditional devices to encompass advanced technologies such as artificial intelligence, deep learning, and robotics. At this juncture, MedicomteK 2026 aims to foster the development of cutting-edge medical technologies by hosting an exhibition of state-of-the-art components and materials. This event will not only serve as a platform for exchanging the latest industry information but also provide a practical and strategic opportunity to assess the present and future of the components and equipment sector.

EU BUSINESS HUB
The Republic of Korea

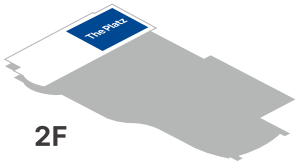

Hall D

EU Business Hub @ KIMES 2026

- **Partners** European Commission
- **Venue** COEX, 3F, Hall D, Booth No. D820 (EU Pavilion)
- **Target Participants**
  Korean companies and institutions interested in European healthcare and medical device companies, and seeking discussions on business and technology cooperation, joint R&D, and other collaboration opportunities
- **Matching Targets**
  Approximately 50 European SMEs and startups in the healthcare and medical device sector

GMEP

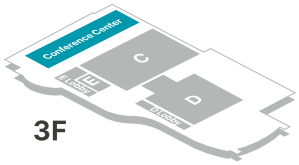

The Platz

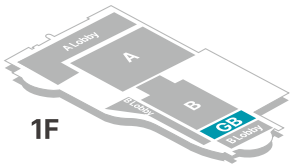

Global Medical Equipment Plaza 2026

The event will feature one-on-one business meetings in the medical device sector, along with contract signing ceremonies, innovative medical device showcases, K-Bio Desk export consulting, and global open innovation sessions to share collaboration needs with global companies. Companies with interest are encouraged to apply.

- **Date** March 19(Thu) – March 20(Fri), 2026
- **Sector** Digital healthcare, diagnostic and examination devices, dental equipment, and the full spectrum of medical devices
- **Scale** 350 domestic companies and 160 overseas buyers
- **Organizer** KOTRA

MEDICAL KOREA

COEX Conference Room | Grand Ballroom

The 16th Global Healthcare & Medical Tourism Conference

Since 2010, Medical Korea has grown into a leading Global Healthcare & Medical Tourism Conference that explores the future of global healthcare celebrating its 16 edition this year.
Centered on the theme "AI-Powered Global Healthcare: Bringing the Future and the World Closer" highlights Conference Sessions featuring prominent experts, Business meeting, Exhibition and FAM tours, etc.
We look forward to welcoming you at Medical Korea 2026, where the latest trends and key issues of the medical AI era come together.

- **Theme** AI-Powered Global Healthcare: Bringing the Future and the World Closer
- **Date** March 19(Thu) - 22(Sun), 2026
- **Venue** ASEM Ballroom, Conference Room, Grand Ballroom, Seoul COEX, The Westin Seoul Parnas
- **Hosted by** Ministry of Health and Welfare
- **Organized by** Korea Health Industry Development Institute
- **Official Website** www.mkconf.org

MedTech Spotlight : New Impact Korea 2026

COEX | SONO Felice Convention

MedTech Spotlight : New Impact Korea 2026

Korea's medtech sector is rapidly gaining global attention, with increasing demand for innovative K-Medtech solutions in international markets. To help Korean startups showcase their potential and connect with global partners, Korea Health Industry Development Institute (KHIDI), in collaboration with MedTech Innovator Asia Pacific, will launch MedTech Spotlight: New Impact Korea 2026 this March in Seoul. Held alongside KIMES 2026 and supported by the Korea Health Industry Development Institute (KHIDI), this program brings together Korean innovators, global strategics, international investors, and hospital leaders for a day of live pitching, expert feedback and meaningful connections.

- **Date & Venue** March 19(Thu), 2026 – COEX, Seoul, Korea
  March 20(Fri), 2026 – Sono Felice Convention, Seoul, Korea
- **Target Participants** Korean medtech startups in medical devices, diagnostics, and digital health seeking global expansion
